Awards & Honors

2023-2026 Young Talents Award, Renmin University of China
2022 Advanced Individuals in Undergraduate Admissions, Renmin University of China
2020-2023 Young Scholar Award, Renmin University of China
2017 Student Travel Award, the University of British Columbia
2014-2018 PhD Fellowship, the University of British Columbia
2011-2013 International Partial Tuition Scholarship, the University of British Columbia

Grants

- 2023-2027 National Key Research and Development Program of China, China-EU TRANSFORMIT project: Transforming forest management for multiple ecosystem services and nature conservation via the integrative approach, Participant ¥ 6,500,000 (\$903,000)
- 2023-2025 The impact and mechanism of management effectiveness of nature reserves on local social-ecological coupling coordination in the Yellow River Basin, National Natural Science Foundation, Principal Investigator ¥ 300,000(\$44,800)
- 2022 Research on the socio-economic and cultural development of communities surrounding Qilian Mountain National Park, Participant ¥ 100,000 (\$13,888)
- 2021-2022 Community development plan in Maoli Lake region, Hunan Province, French Development Agency, Principle Investigator ¥ 300,000(\$44,800)
- 2018-2020 Changes in People's Livelihoods in Protected Areas in China during a Period of Rapid Transition, The Ruffor Foundation, 25329-2, Principle Investigator £5,000

Presentations & Conference Participation

Invented talks:

- "Understanding Environmental Governance through Protected Areas Management in China" Wageningen University & Research, July 2nd, 2024, Wageningen, Netherland.

Panels Chaired and Workshop Organized:

- "Governance in protected areas and local livelihoods" June 16-21,2024, World Biodiversity Forum, Davos, Switzerland
- "Development of National Nature Reserves in the Yellow River Basin". Released the "Management Assessment Report of National Nature Reserve in the Yellow River Basin" report, November 6-7, 2023, Renmin University of China, Beijing, China.

Paper Presented:

- “Understanding biological conservation governance through campaign-style enforcement in China” June 23-29, 2024, 26th International Union of Forest Research Organizations World Congress, Stockholm, Sweden.
- “Management Status of National Nature Reserves in the Yellow River Basin” June 16-21, 2024, World Biodiversity Forum, Davos, Switzerland
- “Forest nature conservation within different political systems – comparison of cases in China and Germany” June, 26th, 2022, World Biodiversity Forum (online).
- “The Change of Power Interaction Behind Conflicts in a Coastal Mangrove Protected Area—A Case Study in Fujian Province, China” January 25, 2022, Sustainability & Development Conference, E19, (online).
- “Conservation Equity for Local Communities in the Process of Tourism Development in Protected Areas: A Study of Jiuzhaigou Biosphere Reserve, China” November 9-11, 2018, Sustainability and Development Conference, Ann Arbor, Michigan, U.S.
- “Community Conservation Concession Agreement—A New Practice in Protected Areas in China”, September 29-October 2, 2017, 3rd Annual Forests and Livelihoods: Assessment, Research, and Engagement (FLARE) Network Meeting, Stockholm, Sweden.
- “Changes in the livelihoods of local people in protected areas in China”, September 18-22, 2017, 125th International Union of Forest Research Organizations Anniversary Congress, Freiburg, Germany.

Teaching and Supervising

Since 2023, Rural Sociology (undergraduate students, graduate students)

Since 2022, National Park Management (undergraduate students)

Since 2021, Qualitative Research Method (graduate students)

Since 2021, International Forest Policy (graduate students)

Graduated student:

2024:

Daye Zhai, master student. He keeps pursuing his Phd on Environmental Policy at Duke University with 5 year Phd fellowship.

Services

- 2024-2029, Deputy of Historical Ecology, International Union of Forest Research Organizations 9.03.03
- Reviewer for the following journals: *World Development*, *Human Geography*, *Forest Policy and Economics*, *Land Use Policy*, *Journal of Contemporary China*, *Sustainable Development*, *Environmental Science and Policy*, *Geoforum* et al.
